

# WORLD CAT 320EC

HIN	MODEL YEAR	LOA	BEAM	HULL DRAFT		
USEPY03113J910	2010	32' 2"	10' 6"	16"		
<b>Approx. Dry Weight</b>	<b>Fuel Capacity</b>	<b>Trailer Height w/ top</b>	<b>Freeboard Aft</b>	<b>Freshwater Cap.</b>	<b>Wastewater Cap.</b>	
12,000 lbs w/ twin 300's	2 x 130 gal	11' (est.)	28"	45 gal	10 gal	

## STANDARD FEATURES

### Power

- Suzuki 300 4-Stroke Package (Twin counter rotating engines, rigging, controls & stainless props)

### Bow

- Molded-in bow pulpit with roller and cleats
- Full 316 marine-grade stainless steel bow rail
- (2) additional 500-gph forward bilge pumps with auto switches

### Cabin

- Full cabin featuring master berth, aft quarter berth, galley, standing shower with sump-pump, Vacu-Flush head with a 10-gallon holding tank and overboard discharge, integrated storage, stylish fabrics and lighting
- Galley Package with refrigerator, microwave, electric cooktop, and stainless sink.
- Standard shorepower connections featuring 30 amp service, cable TV hook ups, AC panel with digital meter and battery charger. Cordsets included.

### Helm

- Full wrap-around tempered safety glass windshield
- Pantograph-style heavy-duty waterproof windshield wiper with rinse
- Centerline helm including deluxe captain's chair with 3-way adjustable pedestal and stand-up bolster, ergonomic dash layout, dual cabin entry ways featuring bi-fold acrylic doors, port and starboard L-lounge seats with 90 quart cooler
- Magnetic catches on cabin/head entry and walk-through doors
- 45-gallon freshwater system with water heater
- 300-quart insulated centerline helm fishbox with overboard drain

### Stern

- Expansive cockpit with molded-in rod storage, tackle storage units, raw water washdown, freshwater cockpit shower, fighting chair reinforcement plate, and toe rail.
- (6) gunnel-mounted stainless steel rod holders
- Fold-down aft seating with cushions
- 40-gallon insulated, lighted livewell with 1100-gph magnetic drive pump and overboard drain (port transom)
- Starboard bait prep station with sink, cutting board, and raw water faucet
- Additional house battery increases reliability and longevity of the battery bank

## OPTIONAL EQUIPMENT

- Fiberglass top with aluminum frame, radio box, overhead lights, rocket launchers, and spreader lights
- Fischer Panda® 4.2kW diesel generator with 10-gallon fuel tank
- High grade curtain package with Strataglass
- Cruiseair® 12,000 BTU heating/cooling unit
- Pro series freetail windlass with 300' line, 15' chain, 22lb anchor, and foot switches at the deck
- Extended swim platform with integrated handrails and ladder
- LCD TV with DVD Player
- Clarion Stereo system with 4 speakers, Sirius Satellite, and an iPod or MP3 port
- Pattern hull graphics package

## KEY STANDARD EQUIPMENT

### Construction

- Patented Vectorflo® semi-displacement hull provides a dry, stable, high-performance ride
- Our Unibody Construction® fuses the hull and deck to maximize hull rigidity and strength for the life of your World Cat
- Ten-year limited, transferable, structural hull warranty
- All World Cat helms are ergonomically designed using our CAD system to provide comfortable placement of controls, gauges, and electronics while assuring excellent bow visibility per ABYC guidelines. A
- Full 316 stainless steel hardware package provides a lifetime warranty against structural corrosion for years of carefree use
- 100% composite construction creates a solid, durable, rot-free platform for serious offshore performance
- 100% composite transom reinforced with aluminum backing plates to hold up the stresses of high-horsepower engines
- Large diameter PVC rigging tubes provide ample room for the rigging of electronics, while providing excellent chafe protection for the electrical systems
- LED cockpit and navigational lighting for years of trouble-free boating
- Chrome-plated, epoxy-coated stainless steel fasteners throughout for long-term performance and appearance
- All cleats and rod-holders are through-bolted with backing plates for heavy-duty marine use
- All wires are labeled every 3 inches for ease of maintenance and serviceability
- Premium marine grade vinyl and foam used on all upholstery to provide years of good looks and easy care
- Full upholstery kit includes aft coaming pads on all boats and forward coaming pads on center consoles
- Livewells and fishboxes are double insulated with composite coring and urethane foam for consistent temperature control
- Hydraulic steering system with tilt-helm, dual steering cylinders, and a liquid tie-bar
- (8) stainless steel recessed cleats provide maximum holding power and minimum interference with fishing lines
- (4) pop-up fender cleats (290EC has 2 cleats)
- Bow anchor locker for convenient storage of chain and rode
- Minimum of two (2) twist lock 12V DC plugs in the cockpit for downriggers, electric reels, kites, or drink blender (TE's include four)
- Stainless steel cup holders
- Raw and fresh water systems

### Safety

- All World Cats are NMMA certified following ABYC standards while all models over 26 feet are Yacht Certified for added safety
- Four (6) straight Marine Industry CSI Awards for fiberglass outboard boats from 2004 to 2009
- Customer care package including Coast Guard kit, four (4) fenders, six (6) dock lines, and batteries
- Independent propulsion, fuel, and electrical systems for the added security that you will be able to return home safely on one engine
- Battery management system monitors and charges all three (3) battery banks while allowing for emergency paralleling for increased safety.
- Heavy-duty wiring systems meet or exceed all NMMA requirements and include tinned copper wiring, Deutsch® sealed connectors, and wires labeled every three inches
- Non-corrosive, polyethylene fuel tanks, which will not rust or corrode in the harsh salt-water environment
- Self-bailing cockpits with a minimum of four (4) oversized drains utilizing gravity to quickly drain your deck
- Minimum of two (2) 1500-gph bilge pumps with automatic float switches quickly evacuate the hull to keep you safe and your hull dry in almost any situation
- Break-away dive ladder for easy transom entry is standard on all models for added safety and convenience
- Water-resistant bilge hatches with compression gaskets in motor-wells to provide bilge pump access and serviceability
- Molded-in diamond pattern non-skid on all walking surfaces provide enough grab for safety without hurting your feet
- Toe-rails to increase cockpit floor-space and fishability while improving comfort and safety (not available on the 270SD)
